

2022 Church Captain Handbook

WalkandRun.org

WELCOME TO THE TEAM, CHURCH CAPTAIN!

Thank you for volunteering to be a Church Captain for this year's Wellspring Life Ministry Walk and 5k Run for Life. Your passion for this ministry and your enthusiasm will make this year's event a great success! Each participant is a powerful voice for this ministry, helping to raise funds for the ministry that will directly impact the lives of babies and families in our community.

A Church Captain (CC) is very important in getting your church motivated for the Walk and Run. Your church is full of people who want to support the Clinic through partnership and/or volunteering, or could benefit now or in the future from Clinic services.

This Handbook and the documents on WalkandRun.org/church-captain will give you everything you need to build a successful Church Team for the Walk and Run for Life in September.

Before we dig in, a word of encouragement: Your job as a Church Captain is to extend the invitation to the people of your church, but God is in charge of changing their hearts. Whether your team has 2 people or 20, God will bring the ones He wants. So we'll do our job, God will do His, and we'll all have an awesome Walk and Run for Life.

Ready? Let's get started!

OUR GOAL

So, what is the goal of Wellspring Life's Walk and 5k Run for Life?

Great question. The Walk and Run is an exciting, family-oriented celebration of Life, set in the beauty of God's outdoor creation. And this year, we have some fun virtual options that allow for greater participation, even during these uncertain times. We're going to have a lot of fun. But our real goal - which we can't lose sight of - is this:

Raise funds to support the work of the Ministry: Saving Lives, Changing Lives and Sharing Jesus.

Here's the truth: It doesn't matter how many people we have registered or attending our Walk and Run events. If participants aren't raising money, we'll have a really great party - but we won't make a big difference for Life.

However, when Walkers and Runners get support from their friends, family, coworkers, etc.), together, we will save lives and impact families around our community.

As a Church Captain, your goal is to build a team of Walkers, Runners, and families from your Church to participate in the Walk and Run, and then encourage them to raise funds.

CHURCH CAPTAIN DUTIES

Here's a breakdown of what a Church Captain actually does:

- ➔ **Engage Leadership:** We have already reached out to your church leadership team about the event. But it's helpful for you to engage with your pastor or church leadership to secure their support and share your plans to promote the Walk and Run. CCs also invite Pastors and church leadership to join the Church Team.
- ➔ **Fundraise:** CCs set the tone for their team by fundraising themselves. They also encourage each team member to raise a minimum of \$150.
- ➔ **Tell others:** We are reaching out to your church with slides and videos - but CCs help by making sure that the event is promoted and encourage signups. You know your church best!
- ➔ **Generate Excitement:** Set a group goal - start an event group on Facebook - brainstorm a group fundraiser - compete against the youth group. There are lots of ways to generate excitement!

Pro-Tip: If you or a teammate is getting close to your goal, encourage them to raise the goal a little higher.

REGISTRATION INFORMATION

Registration is online - and it is easy. Participants can also register onsite.

Here are the participant registration options:

- **RUNNER** for the 5k timed run (\$45 entrance fee)
- **WALKER** for the Life Walk (no fee)
- **TODDLER TROT**: for ages 0-3 (no fee)
- **PRESCHOOL GALLOP**: ages 4-5
- **KIDS DASH**: for ages 6-7 (no fee)

Note: Everyone - Runner, Walker, Kids - can participate in a team. And, everyone will have their own personal FundEasy page for easy fundraising. (Families can choose to register as a family, which will create a single fundraising for the whole family to use.)

Once you register online, follow the prompts to set up your secure FundEasy page. Personalize this page, and grab your URL to share on emails and social media for fundraising. This is also where you'll set up your team name, under the Team tab.

Pro-Tip: After you register, you can easily share your URL on Facebook with a comment like,

"I just registered for the Walk and Run for Life! Message me if you want to join my church's team."

Pro-Tip: A personalized FundEasy page will raise significantly more than a page with default settings.

THE SUPPORT TEAMMATE

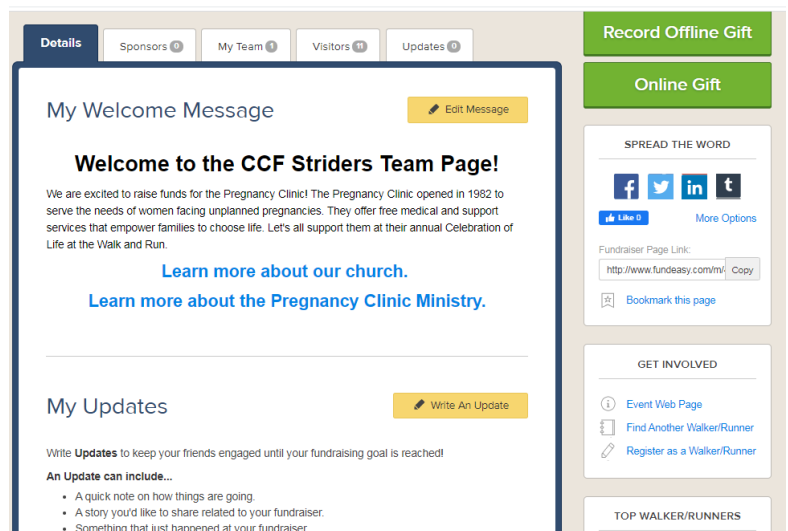

Each team will get a "dummy" teammate named Support <YourChurchName>. This participant comes with their own FundEasy page, which we have customized for your church.

To get to your Support Teammate's page:

1. Go to FundEasy.com and search for "Support."
 2. Find and click on your church - you might need to go to the next page.
 3. Click "Log In" in the upper left. We will send you your username and password.
- You might need to log out of your personal profile before logging in.

Your Support Teammate - not to be confused with your own personal fundraising page, which you will receive when you register - will be used as a home page for your team and a place to gather team donations.

From this page, church members can donate to your team's goal and/or join the team, so use the Support Teammate's URL when sharing with your church.

Other ways to get the most of your Support Teammate:

- Add **photos** of your church members having Walk and Run fun from previous years
- Modify **the Welcome Message** to reflect your church’s relationship with Wellspring Life
- Use **the Update Feature** to share updates with your team (“We are halfway to our goal!” or “So and so just joined the team - we have 20 people now!”). Updates are automatically sent to your teammates.

RECRUITMENT IDEAS

Recruitment might not be as difficult as you think. Many people in your church will be happy to help spread the Good News and make an actual difference in our community.

Here are some ideas to get you started:

- ➔ **Recruit a co-captain and brainstorm with them on how to build your team.** It’s always more fun when you can work with someone else.
- ➔ **Prepare your “Pitch”:** Be able to explain why joining a Walk and run team - and fundraising for Wellspring Life - is important to you, and why people should join. Why are YOU walking for life?
- ➔ **Crowdsource:** Encourage your registered team members to recruit other people *they* know at the church.
- ➔ **Personal Invitation:** Reach out to people in your congregation through email or Facebook, and ask them to join your team.
- ➔ **Anyone in the church is a potential teammate.** Consider:
 - small groups
 - pastors
 - committees
 - Children’s Ministry
 - Deacon/Elders
 - Women’s groups
 - MOPs
 - Sunday School classes (kids and adults)
 - Youth group
- ➔ **Be ready for the NOs:** Sometimes, people will just say No. That’s ok - our role is simply to offer the opportunity. Be ready to suggest that they make a contribution to your church team instead.

Pro-Tip: Depending on the size of your church, you can split off into different teams. Small groups can ‘compete’ against other small groups, or Middle School vs High School. If you do this, make sure that each group has a Captain, and make sure that you let us know so that we can make sure to register your teams appropriately.

SHIRTS

Runners who register online with the \$45 entry fee by September 1 will get a 2022 Walk and Run performance shirt. Runners who register after September 1 will receive shirts as supplies last.

Walkers who fundraise \$150 by September 1 will get a 2022 Walk and Run performance shirt. (For families, \$150/person.) Walkers who fundraise \$150 after September 1 will receive a shirt as supplies last.

There will also be TEAM PRIZES for the teams that fundraised the most.

TOOLS AND SUPPORTS
