

## Walk and Run For Life

# Fundraising Ideas for Kids

---

Fundraising is a great way for kids to participate in the Walk and Run for Life - and see how their efforts can help the lives of women and babies right here in our community. Here are some ideas beyond the traditional Lemonade Stand for kids - some with minor or even no parental involvement.

All fundraising kiddos will be eligible for the annual **Youth LifeSaver Award** (for ages 6-12) or **Teen LifeSaver Award** (for ages 13-18).

**Important Note:** Fundraising kids must have their own FundEasy page, so they can track their own fundraising progress separately from the rest of the family. To do this, go through the registration process separately for each child, and help them set up their unique FundEasy pages. Need Help? Find this year's coordinator at [www.walkandrun.org/contact-us/](http://www.walkandrun.org/contact-us/).

### Fundraising Ideas for Kids:

- Wash cars in your neighborhood
- Organize - and run - a garage sale
- Offer pet care service
- Do extra chores for your parents
- Wash windows for your neighbors
- Make and sell jewelry
- Shoe Drive Fundraiser: [www.Fund2Orgs.org](http://www.Fund2Orgs.org)
- Writing letters / emails to grandparents and family to ask for gifts
- Matching Gifts Challenge: have kids challenge parents and/or family to match dollar for dollar their fundraising efforts
- Consignment: collect, clean, and donate old clothes and kids' items to consignment stores
- Scavenger Hunt: Put together a scavenger hunt or treasure hunt for neighborhood kids or friends from school; charge a small fee to participate.
- Bake Sale: always a winner, and great for teams!

### Other Notes:

- Be sure to have your kids register their offline donations on their FundEasy page, so they watch the total go up.
- If you have other ideas to share, post them to the Walk and Run Facebook Event page!!
